Elite Defensive Skills Camp with TJ Lloyd

We are excited to welcome TJ Lloyd for an elite defensive skills camp!

TJ brings an incredible hockey resume and a wealth of experience to the ice. A proud Métis athlete, TJ is currently playing professional hockey in the ECHL, entering his 3rd season in pro hockey.

Before turning pro, TJ played 5 years of NCAA Division I hockey at Bowling Green State University and University of Alaska Fairbanks, where he developed into one of the top defencemen in the game.

His junior career with the Spruce Grove Saints was highlighted by being recognized as Canada's Top Defenceman, a prestigious honour that speaks to his elite skill, hockey IQ, and leadership on the ice.

Originally from Lloydminster, where he played his minor hockey, TJ has stayed committed to giving back to the next generation of players. Off the ice, he also holds an MBA, showing his dedication to excellence both in sport and academics.

This is an incredible opportunity for young defencemen to learn from a true pro. Don't miss your chance to train with one of the best!
